MEMORANDUM FOR: Deputy Director (Science & Technology)

1. Although the Director has signed the covering letter, please rewrite the initial part of the comments with the following in mind: The Director wants more said about the Kinzel Advisory Board and he also wants to call it the Scientific Advisory Board to the Director of Central Intelligence rather than the Agency Scientific Advisory Board. He wants to point out that it was created for certain purposes and to state those purposes along the lines of Kinzel's mission letter. He wants to cover the membership by name as you have done for the Webster Panel and he also wants to mention the [] Panel and the [] Panel and such other subpanels of the Scientific Advisory Board as may be formed.

2. Other than the foregoing, he thinks it's a fine report. Rewrite it in accordance with the foregoing and submit it to me for approval prior to dispatch.
